ABSTRACT GUIDELINES

- Abstracts should be up to a maximum of 400 words in length and be on a subject in a field of cardiovascular medicine and should be submitted by 1st October 2024. Abstracts sent after this date may be accepted at the Cardiac Society's discretion.
- All Abstracts should contain an introduction, methods, results and conclusion section unless it is a case report, in which case the methods section can be omitted.
- All accepted abstracts to be presented as a Poster. The poster should be A1 size in a portrait orientation.
- Accepted abstracts will be given free registration to the first author/presenter.
- Posters will be presented during a Moderated Poster session. The presenters to put up their posters before the start of the meeting. Poster presenters must be registered as conference attendees.
- The presenters must be present during the Moderated Poster session (time to be confirmed). Presenters will be expected to be by their poster at the start of the session.
- The poster presentation should last for a maximum of 5 minutes and will be judged by an expert panel followed by a question and answer session.
